# Pediatric Potpourri®

## Pediatric Potpourri®: State of the Art 2012 February 18-24, 2012

The American Academy of Pediatrics and California District IX, Chapter 2, AAP in association with Children's Hospital Los Angeles Medical Group, are pleased to sponsor **Pediatric Potpourri®: State of the Art 2012** on the island of Maui, Hawaii. This conference is intended to increase your knowledge and provide a comprehensive review of current issues and recent advances in selected pediatric subspecialty areas. Faculty members will discuss current clinical challenges via didactic presentations and roundtable discussions. Audience participation is encouraged throughout the course.

You should attend **Pediatric Potpourri®: State of the Art 2012** if you are a pediatrician, family physician or other health professional who cares for infants, children and adolescents and are interested in enhancing your understanding of and developing solutions for the clinical issues you encounter in your daily practice.

### Course Objectives

At the conclusion of this activity participants will be able to identify, assess and manage common clinical issues in the areas of infectious diseases, emergency medicine, dermatology, plastic surgery and developmental & behavioral pediatrics including:

- Formulate a rational plan for the management of concussions and other intracranial injuries in children.
- Distinguish the varied clinical presentations of acne vulgaris and devise optimal treatment regimens.
- Implement the most up-to-date guidelines for diagnosis and management of ADHD in children and adolescents.
- Identify risk factors, preventative measures and treatment therapies for patients who will be traveling outside their home country.
- Educate parents about strategies for prevention and management of deformational plagiocephaly.

*Note: A complete listing of course objectives and materials will be available at the Pediatric Potpourri®: State of the Art 2012 conference.*

### Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Academy of Pediatrics (AAP) and the American Academy of Pediatrics California District IX, Chapter 2. The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 22.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 22.5 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

This Live activity, Pediatric Potpourri®: State of the Art 2012, with a beginning date of February 19, 2012, has been reviewed and is acceptable for up to 22.50 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Members of the College of Family Physicians of Canada are eligible to receive up to 22.50 Mainpro-M1 credits for participation in this activity due to reciprocal agreement with the American Academy of Family Physicians.

This program is accredited for 22.5 NAPNAP CE contact hours of which 2.75 contain pharmacology (Rx) content per the National Association of Pediatric Nurse Practitioners (NAPNAP) Continuing Education Guidelines.

The American Academy of Physicians Assistants accepts *AMA PRA Category 1 Credit(s)™* from organizations accredited by ACCME.

The program provider, AAP California Chapter 2, has been approved by the California Board of Registered Nursing, Provider Number CEP 11121 for 4.5 contact hours per day.

**Disclosure of Financial Relationships and Resolution of Conflict of Interest** -The AAP Policy on Disclosure of Financial Relationships and The AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities. All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that they either have no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider of commercial services discussed in CME activities. All potential conflicts of interest are identified and resolved prior to an individual's confirmation of service at an AAP CME activity. Beyond disclosure of financial relationships, AAP CME faculty are required to disclose to the AAP and to learners when they plan to discuss or demonstrate pharmaceuticals and/or medical devices that are not approved by the FDA and/or medical or surgical procedures that involve an unapproved or "off-label" use of an approved device or pharmaceutical. The AAP is committed to providing learners with commercially unbiased CME activities.

## Hyatt Regency Maui Resort

Located on popular Kaanapali Beach, the Hyatt Regency is one of Maui's leading luxury resorts. The grounds are a paradise of ponds, lagoons and tropical gardens inhabited by exotic swans, flamingos, penguins and parrots. The free-form swimming pool, one of Maui's largest, is lined with rope bridges, waterfalls, grottoes and waterslides. Guest rooms are comfortably appointed, each with a private lanai. Features such as a multi-million dollar art collection and a unique variety of boutiques and restaurants lend to the ambiance. Activities available include tennis, golf at Kaanapali's two courses and a fitness center. Children will enjoy a variety of daytime activities offered at Camp Hyatt. The location is ideal to visit Whaler's Village, a popular Kaanapali attraction, and nearby Lahaina Town, with its myriad of shops, restaurants and boutiques.

The Hyatt Regency Maui has extended group rates for our program available through University Travel.

## Condominiums

Ideal for families, several condominium choices are also available.

**Please contact University Travel for details.**
